## Profile

Experienced with 8 years in sales. In the Georgia Tech Web Development Boot camp to gain new skills and enter a new career. Looking to combine my sales experience with my new skills to become a strong asset to a company and team.

## Employment History

### Outside Sales Representative, The Fastenal Company, Atlanta

May 2011 — January 2020

- Focused on building relationships, driving up new customers to become core active accounts.
- Maintained a 60%+ margin
- Drove up our store's vending machine installs and sales.
- Helped grow store sales from \$80k/month to \$300k/month in my tenure.

## Education

### Full Stack Web Development, Georgia Tech, Atlanta GA

February 2020 — May 2020

- Experienced in HTML/CSS/Bootstrap/JavaScript/jQuery.
- Work well in group collaboration setting using Github.
